User Stories:

User Story 1

As a student, I want to receive personalized quizzes based on my course data, so that I can improve my understanding of key topics.

Usar Story 2

As an educator, I want to view real-time quiz performance of all students, so that I can monitor their learning progress.

User Story 3

As a student, I want to take a diagnostic test that adapts to my level, so that I can be challenged appropriately

User Story 4

As a student, I want to sync my courses with Google Classroom, so that I can seamlessly access quiz topics.
